

PADI Advanced Open Water Diver

The Adventures in Diving program offers both the Adventure Diver and Advanced Open Water Diver certifications. If you complete any three adventure dives, you can earn your PADI Adventure Diver certification. If you complete your Deep Adventure Dive, Underwater Navigation Adventure Dive and three Adventure Dives for a total of five, you can earn your Advanced Open Water Diver certification.

Why Advanced Open Water Diver?

After your five dives, you'll be more experienced, feel more comfortable in the water and simply enjoy diving more because you better understand the underwater environment.

What do I need to start?

- PADI Open Water Diver certification (or qualifying certification from another organization)
- Minimum age: 15 (12 for PADI Junior Advanced Open Water Diver)

What will I do?

This certification includes five Adventure Dives, including the Deep Adventure dive, the Underwater Navigator Adventure Dive and three of the following:

- Boat Diver
- Night Diver
